Portfolio | GitHub | LinkedIn

EDUCATION

St. Andrew's Intstitute of Technology and Managment

Computer Science & Engineering B.tech

CGPA: 7.5

Gurugram, Haryana

September 2024 - May 2028

+2 High School Ayer

PCM Class 12th

Percentage: 70%

Ayer, Bihar

Aprill 2023 - May 2024

MDJ School

Degree in Class 10th

Percentage: 80%

Arrah, Bihar

Aprill 2021 - May 2022

EXPERIENCE

NoteVault | CEO

Gurugram, Haryana | March 2025 - Present

VaultNote is a secure, cloud-based note-taking app that lets users create, organize, and access notes from any device. It offers end-to-end encryption, unlimited storage, and easy sharing options. With tagging and categorization tools, VaultNote ensures your ideas stay organized, accessible, and private anytime, anywhere.

Cognifyz Technologies | Intern - Web Developer

Work From Home | Aprill 2025 - May 2025

Collaborated with development team to design, build, and maintain responsive websites and web applications.

Utilized HTML, CSS, JavaScript, and modern frameworks (e.g., React, Vue.js) to develop front-end features.

Assisted in backend development tasks using [e.g., Node.js, PHP, Python] and integrated RESTful APIs.

Conducted debugging, performance optimization, and cross-browser testing to improve user experience.

Participated in code reviews, Agile stand-ups, and version control using Git and GitHub.

Contributed to documentation and supported deployment processes using tools like Docker or CI/CD pipelines.

SKILLS

Programming Languages: C, HTML, CSS, JAVASCRIPT, Python

Libraries/Frameworks: BOOTSTRAP, TYPESCRIPT

Tools / Platforms: Git, VS CODE

PROJECTS / OPEN-SOURCE

Note Vault | Link

HTML, CSS, JavaScript, Bootstrap
